

NHS Written Orders from the St Helens CUES service

Your Optometrist has given you a “NHS written order”, this is similar to a prescription from your GP. You can take this to any of the pharmacies listed below and they will dispense you with the eye drops/ eye ointment you require. If you are exempt from NHS prescriptions charges you will not pay for the medication. If you have proof of entitlement to free NHS prescriptions with you, please take this to show to the Pharmacist.
